

Dear member,

on November 8th, 2017, a the first joint council between the council members of Centro Storico Lebowski and Impruneta Tavarnuzze was held at the Tavarnuzze grounds. After months spent running after the hundreds of deadlines imposed by the restructuring of the stadium and the beginning of the football season, we finally got the chance to add to our daily necessities a deep look on the months and years to come. We are glad to be able to share with you the main points touched upon during discussion.

1. The current economic situation and projected future budget, from a perspective of sharing of the income and outgoings of the Ascanio Nesi stadium, which will allow for an increasingly mindful management of our new home.
2. Stadium bar and pizzeria: the insertion of black-and-grey volunteers into the pizzeria rotation and new cultural initiatives that may be hosted at the Ascanio Nesi stadium.
3. The meeting, to be held on December 4th, between Stefano Bonaccorso, head of the Atalanta youth sector, and the children and parents of the football schools of Impruneta Tavarnuzze and Centro Storico Lebowski.
4. A Tavarnuzze/Lebowski sticker album that will be made in January and will include pictures of all our players, from the First Team to the Football School, to the Women's Serie D to the amateurs of Calabroni and Mele Toste.
